Dear Michael,

Welcome to the Australian Government Antenna Installer Endorsement Scheme

You are now endorsed under this Scheme at the level/s shown on the enclosed badge and in accordance with the Scheme's Terms and Conditions.

As an Endorsed Antenna Installer, you can help consumers get ready for the switch to digital TV by providing antenna installation services and advice.

Please remember:

- Wear your badge during working hours so consumers know you are an endorsed antenna installer.
- Your badge is valid for 12 months. We will contact you about a replacement badge before the date of expiry.
- Keep up to date with the latest news on digital switchover by regularly visiting the website www.digitalready.gov.au or contact the Digital Ready Information Line 1800 20 10 13 (freecall within Australia) seven days a week from 8.00 am to 10.00 pm (AEST).

If you have any queries about this Scheme, please email us at switchover_endorsement@dbcde.gov.au

Thank you for helping us to get Australia ready for digital TV.

Yours sincerely,

Paul Vincent
Assistant Secretary
Digital Switchover Taskforce

Due to ID fraud we have blurred out sensitive information. We of course will display this endorsement on arrival at the location.
